ICE KRAKÓW MULTI VENUE

■ www.icekrakow.pl

A low-angle, upward-looking shot of the ICE Kraków building at dusk. The building's curved glass facade reflects the deep blue sky and the warm light of the setting or rising sun. The architecture is modern, with a series of interconnected cylindrical and rectangular volumes. The overall mood is sophisticated and contemporary.

ICE Kraków Congress Centre

SUSTAINABLE DEVELOPMENT

| City centre location with easy access to public transport

| Efficient energy-saving system
and maximum use of daylight

| Campaigns and activities influencing the local environment
and engaging the local community.

| Congress Avenue | Kraków Network | Hello ICE Kraków |

| Catering: products from local suppliers
served on tableware from reusable or biodegradable materials.
Unused food is donated to a food bank.

18th October 2023 Kraków 5020 Company, the operator of ICE Kraków
has concluded a letter of intent with the Carbon Footprint Foundation
concerning the construction of an ESG policy for the ICE Kraków Congress Centre.

The Congress Avenue

 www.lookkrakow.pl

The Congress Avenue

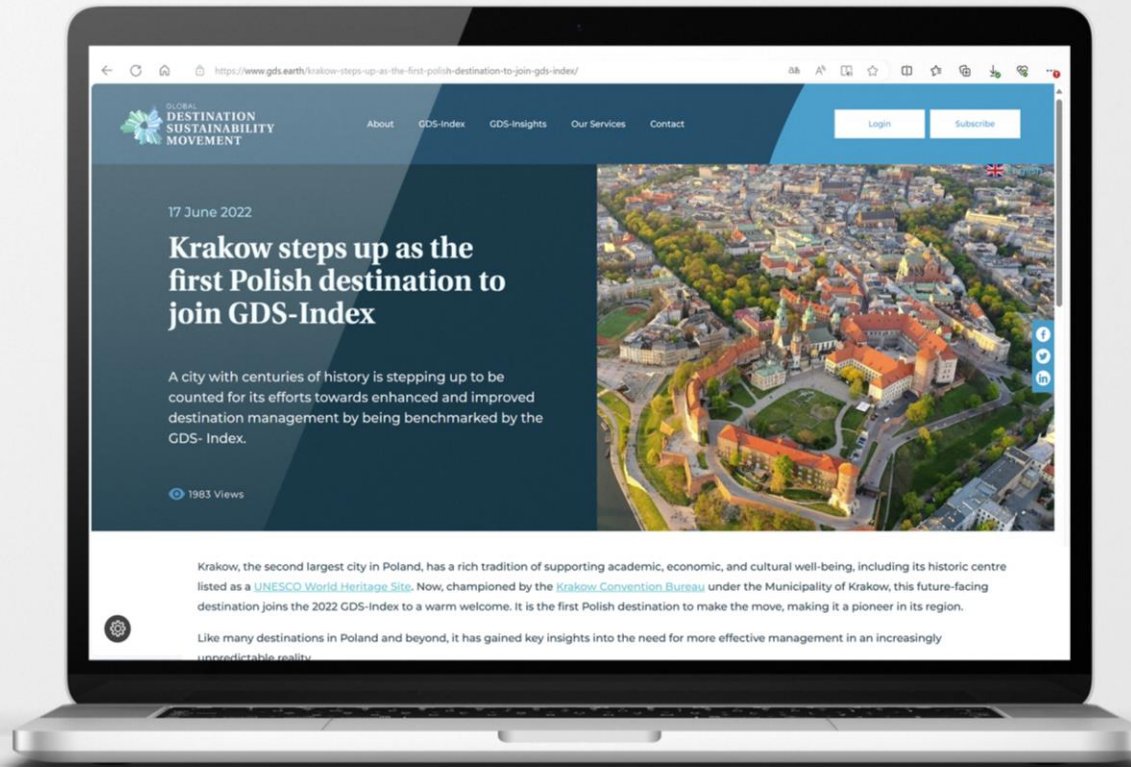

The Congress Avenue inaugurated in 2017,
the first initiative of its kind in the world,

has currently **48** TREES

London's planes and Norway maples.

The trees commemorate
the most important business events
held in the ICE Krakow Congress Centre.
They also help in the fight against air pollution.

GDS index Kraków

Kraków has become the first Polish destination to join the Global Destination Sustainability –GDS–Index, which compares cities according to their performance in sustainable development.

This is an opportunity to diagnose the current state and to obtain guidelines and proposals for actions to improve Kraków in the areas of sustainability and ecology.
